

"suspicious"

©v.c.ilagan2005 from 'I think I know' album

Call me paranoid if you want
But I know that's not what I am
And you can be annoyed as much as you
want cause I can
Yes you argue with me fine, you tell me
Darling it'll be alright
You ask me to trust you more when I finding
it hard to
Sure, you think you can make it better with
a kiss
Better think again

I'm a little suspicious, suspicious of you, I
admit I'm suspicious of what you do
When I'm not with you I keep thinking you're
in
Some kind of mischief again
You're gonna have to help me
Cause I can't let this be

Call me insecure if you want
I must admit I've been a little of that
I know for sure though I'm justified by the
way you act
You think I'll let you get away you're making
me feel like this everyday
When will this all just end you can't keep
pretending everything's okay
Cause there's no way that it is so why
pretend

I'm a little suspicious, suspicious of you, I
admit I'm suspicious of what you do
When I'm not with you I keep thinkin' you're
in
Some kind of mischief again
You're gonna have to help me
Cause I can't let this be
If you want me to
go into some kind of detail
wont you email me

as much as you do him
and don't you ask me who
cause I know you know who
dares to not care
about me can't you see
where he wants to be there with you at all
costs

no consideration given to anyone
just as long as he can get what he wants
And you can guess what does he want
Don't go pointing at me telling me I'm
jealous
Cause baby hear this
I'm only gonna tell you once
Remember once
Remember once you a long time ago
Laid the rules down
When you knew I could flirt with this lady it
sounds
Like there's a little truth in the saying
What goes around comes around
If you ask me what I want to do see
I think I've said clearly what I want

It's time for a change
I'm not about to ask the world from you
But isn't it strange I haven't seen you as
much as I would want to
And do you think It has something to do with
the man standing in the wings
I suggest you tell him so
Before you find I have to go

I'm a little suspicious, suspicious of you, I
admit I'm suspicious of what you do
When I'm not with you I keep thinkin you're
in
Some kind of mischief again
You're gonna have to help me
Cause I can't let this be
